## 2025-26 TUITION & FEES INFORMATION

Enrolment for the 2025-26 school year is open to children with deposits due May 15th, 2025. Added this year are two fees, and please note the change from the previous year in the timeline for payments.

1. **Activity Fee** - this will cover various curriculum based activities throughout the school year, including off campus field trips, and replace the ongoing charges throughout the school year.
2. **Capital Improvement Fee** - this will build an account to help us fund necessary classroom renovations, furniture replacement, and equipment upgrades.

**Payment Deadlines and Options**

Tuition fees are due according to the payment option you choose. Choosing to pay in installments or by month does not constitute a fractional contract.

**Late Payments**

1.5% interest will be charged to your account on balances that are overdue. To avoid interest being charged to your account, please pay your statement balance in full before the end of the month.

**Returned Payments**

Cheques or pre-authorized debit payments returned by the bank are subject to a \$25 fee. The returned payment fee will be charged to your account on the date the payment reversal is received by the bank.

**Withdrawal from School**

The tuition fees are, in part, to reserve your child's place at Cathedral School. Early withdrawal does not reduce staffing needs or other costs. Accordingly, the withdrawal of your son or daughter from the school does not entitle you to a refund. Payments made up until, and at the time of withdrawal may not be refunded.
