Learning Strategies Teacher (0.5 to 1.0 FTE)

Founded in 1989, *Christ Church Cathedral School* serves a diverse demographic of students in JK to Grade 8. Ranking among the top performing schools in our city, CCCS is the school of choice for families seeking excellence in education and vibrance in community. Our dedicated team of teachers, educational assistants, and support staff provide a well-rounded curriculum accessible to students of all beliefs, while nurturing the spiritual, social, physical, and intellectual growth of every child. CCCS is the place where students discover the path toward the best version of themselves.

Cathedral School is searching for a Learning Strategies Teacher as our newest team member. The successful candidate will be committed to inspiring students in Kindergarten through Grade 8, understanding the unique developmental and social needs of students in this age group, and engaging with our vibrant and dynamic school community.

Our staff enjoy being part of a progressive model of education, well resourced classrooms, and small class sizes. We offer competitive salaries, comprehensive benefits, timetabled prep and collaboration time, and extra holidays.

Position: 0.5 to 1.0 FTE Learning Support Teacher

Start date: September 1, 2026

Required: Valid British Columbia Teaching Certification

Strong candidates will:

- be familiar with the BC Ministry of Education curriculum and core competencies
- provide one-on-one, small group, and classroom support.
- support students and faculty in the classroom by implementing and following up on individualized support plans and learning strategies.
- establish and maintain a series of lessons promoting the use of strategic tools and the development of Executive Functioning or Study Skills
- work with teachers to adapt the curriculum to provide individual, small group, and/or remedial instruction to meet the needs of individual students.
- maintain complete and accurate records of student progress and evidence of growth and reports to students, parents, and faculty
- provide a nurturing and supportive learning environment that encourages student responsibility, along with socio-emotional and self-advocacy skills.
- other tasks as required by the Head of Learning Strategies.

Salary Range: \$61 554 to \$102 128 depending on FTE, education, and experience.

Application Deadline Date: May 8, 2026

Please send your cover letter, resume, three professional references, and proof of BC teacher certification to The Personnel Committee at hr@cathedralschool.ca.
